My Dear Friend

We must apologize for the haste which has obliged us to send a somewhat unbusiness-like invoice — but we know that all the articles specified will be found in the box — & we trust they will arrive safely — We believe we shall have a few more articles to enclose in the box from Glasgow — as many of our contributors are tardy — and we do not wish to delay sending out till the next steamer — We intend to write by post soon & shall further explain —

Believe me Thine affectionately

Eliza Wigham
